

1 Introduction

The “shortauthor” option allows you to cite authors with long names (like government agencies) briefly in the text while including the full name in the bibliography (EPA 1999).

References

U.S. Environmental Protection Agency. 1999. *The Benefits and Costs of the Clean Air Act 1990 to 2010*. Washington, DC: US Environmental Protection Agency, Office of Air / Radiation.

2 Conclusion

And we can make in-line citations like Tiebout (1956) without the names being bold.
